

Children's Bikes at Nevis Cycles - Spring 2007

Thank you for your interest in our young persons' bikes. You can be assured when buying a bike from Nevis Cycles that it is built by our experienced mechanics to the correct safe standard and doubly checked. You will be provided with a certificate for this. We take pride in our customer care and every new bike receives a free service within the first 3 months of ownership.

The bikes are grouped by wheel size. Alongside this measurement is the inside leg range the bike will fit. Take this measurement from the crotch to the floor. An approximate age range is provided to help you further decide which size of bike is right.

Please telephone 01397 705555 if you would like to place an order or find out more.
